

24119-01 RENEWAL Part 119 Air Operator Certificate Application for Renewal

Use this form to apply for the **renewal** of a certificate under the:

- [Civil Aviation Act 1999](#), s 8 application for aviation document and s 9 grant or renewal of aviation document
- [Civil Aviation Rules](#), Part 119 air operator certification for air operations conducted under Part 121 large aeroplanes, Part 125 medium aeroplanes, or Part 135 helicopters and small aeroplanes.

1. You need to apply earlier than 60 days before your certificate expires, or any expiry date in your operations specifications, whichever is first, because our assessment takes time

To apply, email to info@caav.vu

- This completed renewal application form
- The completed documents required as set out in **section 20** of this form

2. About your application and our assessment

- You must submit your application not less than 60 days before your certificate expires, or any expiry date in your operations specifications, whichever is first, but our assessment can take longer (rule 119.21 renewal of certificate)
- You have to submit your application and pay 33,000 VT for an initial 4 hours not less than 90 days before you intend to operate, but our assessment can take longer (rule 119.9 application for certificate)
- How long our assessment takes depends on the complexity of your operation and accuracy of the information you provide
- We'll only start our assessment once your application is complete
- We'll only start our assessment once your application is complete and you pay the 4 initial hours
- We'll email you invoices during and at the end of the assessment for CAA's hours taken at the CAA standard hourly rate

- Read [advisory circulars](#) for your type of operation before you start
- See section 9(b) about senior persons fit and proper person requirements (Note: The government agency reports can take 8 weeks or more to get)
- Complete the [forms](#) in **section 20** required for your type of operation

10. Aircraft used in your operation*

Questions about charter/cross hire/lease and lawful possession in the table below relate to Part 47 aircraft registration and marking. If your organisation is *not* lawfully entitled to possession, then your operation of the aircraft must not exceed 27 days. Once that ends, you must either enter another charter, cross hire, or lease not exceeding 27 days, or apply to have the aircraft registration changed to show your organisation as having lawful possession.

Note: If the aircraft on charter, cross hire, or lease is listed in your operations specifications, then you don't have to re-apply to operate the aircraft each time you charter, cross hire, or lease the aircraft for a period not exceeding 27 days.
